**Subject:** WV DW  
**Importance:** High

Governor's press conf just concluded, gave clearance to zone 1 (nearest plant): lifted restrictions, customers can use after flushing plumbing. Explicit instructions for flushing on Gov's website, WV American & WV DHHR websites. This zone covers downtown Charleston & includes hospitals; hope balance of Charleston area may be cleared by end of day or soon after (that would be about/> 50% of customers. Call center is active for additional questions.
